

Which EdgeVR Do I Need?

Do You Want Onboard Video Analytics?

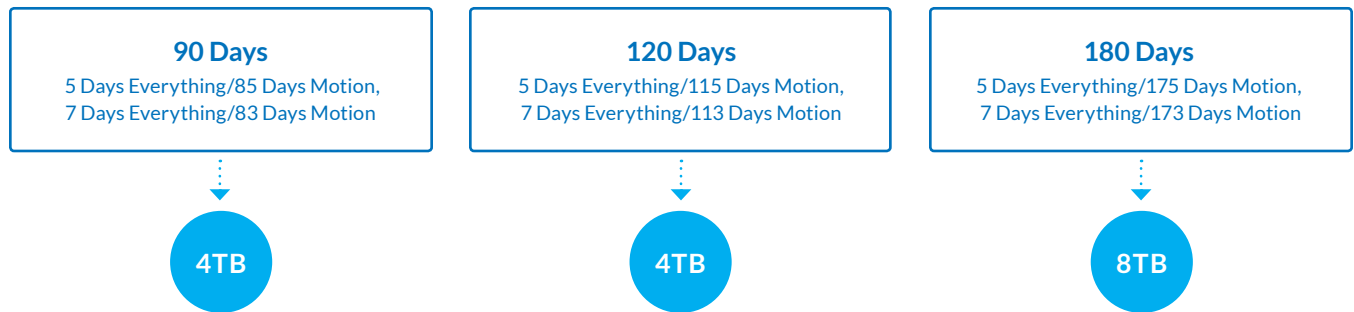

YES **NO**

How Much Storage Do I Need? How Many Days of Video Retention?

Basic storage calculations achieved using a quantity of 16 IP cameras, 1080p, 3FPS. Actual storage may be more or less. Please consult Verint or your preferred security integrator for specific calculations.

i
Verint's proprietary motion recording and thinning process results in the most efficient use of hard drive space available in the market—lessening the amount of storage needed overall, and reducing the workload on your hard drives.
