

Verint Return for Repair

VERINT FRAUD AND SECURITY SOLUTIONS

In Warranty Guidelines Return Merchandise Authorization (RMA)

IMPORTANT STEPS WHEN RETURNING VERINT PRODUCTS FOR REPAIR – IN WARRANTY

1. If you purchased the equipment or software from a distributor, the RMA must be initiated directly with the distributor.
2. **Call Verint Fraud and Security Solutions** Technical Support at (888) 585-7059. A Verint technician will initiate a service request. Keep the service request number for future reference regarding this ticket.
3. **Troubleshooting and Evaluation.** A Verint Technician will work with you to perform standard troubleshooting and evaluation. If an RMA is required, a number will be provided.
4. **Return Unit for Repair:** Verint will provide an RMA Authorization Form which needs to be included with the unit.
 - Brackets and accessories should NOT be returned with the unit to be repaired.
 - Advance Replacements may be provided for faulty units that are processed within 60 days of shipment.
 - ~ Based on Verint verification and availability.
 - ~ If a defective unit is not returned within 30 days, an invoice will be generated.

If you are unaware of your current plan, please call (888) 585-7059. Please have your serial number available.

HOW TO AVOID RMA DELAYS

Do not call for an RMA unless you have:

- Unit(s) serial number (required)
- Valid address for shipment to/from (required)
- Problem description (as detailed as possible)
- Part number (if possible)
- Purchase order number (if possible)

To avoid delay in repair:

- Include RMA# on outside of shipping container.
