THE CUSTOMER
ENGAGEMENT CONFERENCE

Frequently Asked Questions

General Conference Questions

What is Engage?

[Verint® Engage®](#) is the premier customer engagement conference. This interactive event is designed to help you get the full benefit of your Verint solutions, meet and network with industry colleagues, and discover how to create better business outcomes that drive Boundless Customer Engagement. Many of the presenters are actual users who share their expertise and real-world experiences to help attendees gain new perspectives, solve problems, swap tips and best practices, and more.

Is the event in-person or virtual?

Engage will be an in-person event in 2023.

Where will the event be held?

Engage will be held at the [Bellagio](#) in Las Vegas, Nevada. Fronted by an 8-acre lake with dramatic water fountains, this luxury casino resort on The Strip is two miles from Harry Reid International Airport (formerly McCarran International Airport).

What is the attire for the conference?

Conference attire is business casual. We recommend you bring a sweater, as meeting room temperatures vary. Attire at the customer appreciation event is casual.

Will I have to wear a mask, show proof of vaccination, or take any other COVID-related measures to attend the event?

It's too soon to know. The health and safety of all conference participants is our utmost concern, and we want everyone involved to enjoy a safe, hygienic, productive, and high-quality event experience. We will make a decision regarding masks and other required COVID-19 measures closer to the event date based on the latest guidance from the Centers for Disease Control (CDC) and any venue-specific requirements.

Verint expects that all attendees will comply with any policies and procedures made known to attendees in advance of the event, which may include completion of a pre-arrival screening survey to confirm that attendees are not then-currently experiencing COVID-19 symptoms or tested positive or knowingly been exposed to COVID-19 within a certain timeframe.
